

Afghanistan Challenge

What is the Afghanistan Challenge?

© CIDA/Pedram Pirnia

The Afghanistan Challenge is a unique fundraising initiative resulting from a partnership among CARE Canada, the Mennonite Economic Development Associates, Rotary International, World University Service of Canada, and the Canadian International Development Agency.

Together, the group is challenging Canadians to help rebuild Afghanistan after decades of hardship. The Government of Canada will match all contributions dollar for dollar to reach a specific target.

The Afghanistan Challenge:

- creates jobs and helps reduce poverty;
- helps women gain job skills to improve lives; and
- helps train teachers, build schools, and fill classrooms.

To find out how to get involved with the Afghanistan Challenge, visit our website and help Canadians match hope with action!
